V-SKIN PYO OLAMINA CREAM

Soothing cream with antiseptic properties

WHAT YOU WERE LOOKING FOR

V-SKIN **PYO OLAMINA CREAM** is ideal for skin folds, interdigital skin, abdominal and axillary areas to protect, soothe and repair the inflamed dermis in case of maceration and microbial proliferation.

KEY INGREDIENTS

The constituents in V-SKIN **PYO OLAMINA CREAM** work synergistically to eliminate bacteria and yeasts while reducing inflammation.

- VITAMIN E — Antioxidant action
- CALENDULA — Calms the skin
- ACETYLCYSTEINE — Helps to destroy bacterial biofilms
- ZINC (ZN 30) — Antimicrobial action
- ROSEMARY OIL — Provides antimicrobial effect
- PIROCTONE OLAMINE — Controls yeast overgrowth

IMPORTANT FEATURES

- To be used in skin folds or areas with maceration
- Reduces microbial growth and restores balance
- Pleasant scent
- Stays longer on the skin to perpetuate the effect
- 50 ml tube

HOW TO USE IT

Apply to the affected area every 12-24 hrs depending on the severity of the condition until the clinical signs or infection have resolved. Can be used as a preventive maintenance treatment.
